

POST EVENT SURVEY – A&DSS 2016

BCI AEROSPACE is proud to announce that the third edition of A&DSS in Seattle was a full success. We thank the Boeing Company for the strong contribution and Washington State for the support. This success would not mean anything without the high level of satisfaction expressed by the entire supply chain through a survey. We selected below a sample of questions and answers from the respondents.

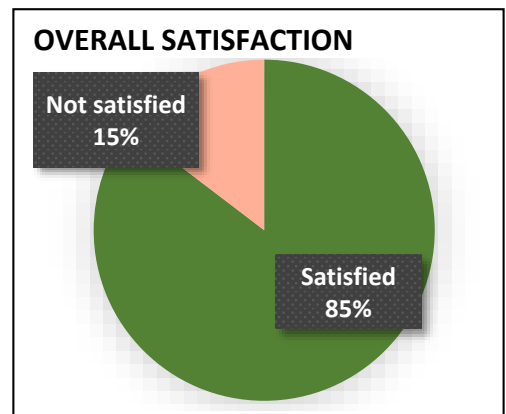

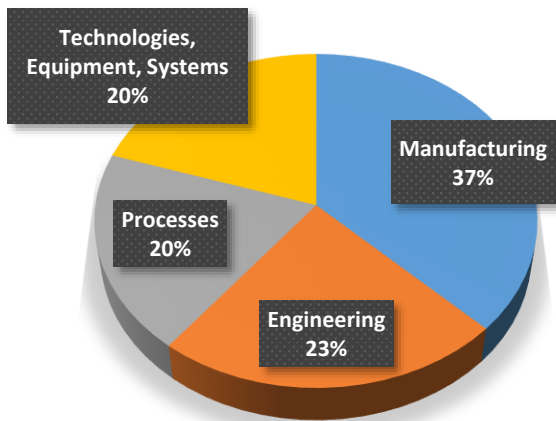

Company origin

Participants' expectations?

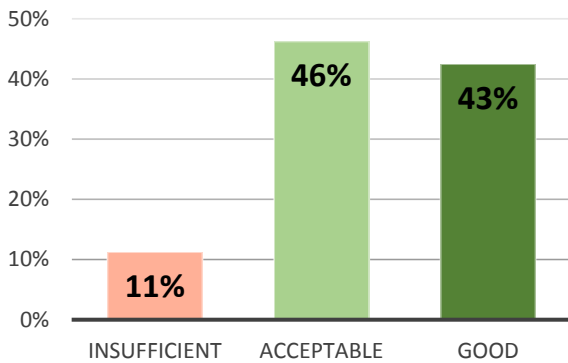

Represented capabilities, services and applications?

POST EVENT SURVEY – A&DSS 2016

BCI AEROSPACE typically enjoys positive ratings of over 80% from the participants. A&DSS is just in line with such statistics and validates the company’s unmatched expertise.

Number of meetings

Quality of the attendees: did you meet companies that you selected?

Did you meet with the right contacts?

How many contacts are worth a follow up?

POST EVENT SURVEY – A&DSS 2016

BCI AEROSPACE events are all about pre-arranged meetings between business partners who agree to have face-to-face meetings. Our business is to make sure our participants meet the right contacts. A&DSS Seattle offers that very service.

Quality of selected companies

Number of companies operating in your field

Were there any underrepresented commodities?

Do you think A&DSS Seattle is a cost effective event?
