

POST EVENT SURVEY – A&DSS 2022

Hundreds of companies from all over the US and rest of the world flocked to Seattle for this 6th edition. After the 2020 postponement and the virtual edition in 2021, a lot of excitement was felt prior, during and after this year’s event. We thank all the attendees, the Boeing Company and Washington State for their contribution. The below report reflects what the participants thought about the event.
