ORGANIZED BY

BCI AEROSPACE

IN PARTNERSHIP WITH

CHOOSE Washington
Innovation is in our nature.

Final list of Participants

WFL MILLTURN TECHNOLOGIES GMBH & CO KG

WFL is the only manufacturer worldwide that focuses exclusively on the production of multifunctional turning-boring-milling centers

Austria

PANKL AEROSPACE SYSTEMS EUROPE GMBH

Pankl with it's operations in the US and Europe, serves the global aerospace industry as a tier one supplier for complex drive-train components, engine shafts, in-flight refuelling tubes and landing-gear parts for fixed and rotary-wing aircraft

Austria

AT&S AUSTRIA TECHNOLOGIE & SYSTEMTECHNIK AG

Electrical and electronic components

Austria

VOIDSY GMBH

We are developing a novel system for non-destructive materials and component testing in the aerospace industry and numerous other industries

Austria

EBNER INDUSTRIEOFENBAU

Global specialist in heat treatment furnace facilities.

Austria

WEINGÄRTNER MASCHINENBAU GMBH

We specialize in machine tool manufacturing and offer a diverse range of modular machines designed for high-performance machining and finishing of complex shafts and helical parts

Austria

FLUX GMBH

Development and manufacturing of motion control sytems and encoders for precise position measurement.

Austria

ASCO INDUSTRIES NV SA

ASCO is a world class supplier of design and manufacture of high lift structures, complex mechanical assemblies and major functional components

Belgium

VAC AERO INTERNATIONAL INC

Designs and builds vacuum furnace systems and controls with the highest quality standards for any of your specialized processing needs

Canada

INVEST ALBERTA

Its core mission is economic development through investment attraction and expansion support.

Canada

MIRAGE PRECISION INC.

Precision manufacturing and supplier integration.

Canada

DELLCOM AEROSPACE

CNC milling, turning, thread rolling and component assembly

Canada

VESTSHELL INC.

Manufacturer of precision investment casting

Canada

AV&R VISION AND ROBOTICS

At AV&R, we propel manufacturing into the future by delivering cutting-edge robotic finishing and inspection machines. Robotic machines for automated complex abrasive material removal processes

Canada

MOOVINV INC.

Reseller of aeronautical material via a web platform.

Canada

PROACTION INTERNATIONAL

Leadership development: training workshops and conferences, executive coaching, field coaching of frontline managers and behavioral audits

Canada

LEV-FAB

A certified piping, exhaust system and assembly provider for the aviation industry, conforming to the most exacting standards required by its partners and clients

Canada

SPRUNG STRUCTURES

Experience next-gen building solutions with our patented fabric structure technology

Canada

HEAVYAERO MAINTENANCE CENTRE INC.

Canadian heavy aircraft maintenance provider specializing in scheduled overhauls, structural repair, and technical support services for commercial aircraft operators.

Canada

WSP CANADA

Professional services firms, bringing together some of the brightest engineers, advisors and scientists from across the globe

Canada

CORPORATION LOGIC AIR

Corporation Logic Air, founded in 1990, is a Transport Canada Approved Maintenance Organization

Canada

SAFRAN LANDING SYSTEMS

World leader in landing & breaking systems

Canada

EDMONTON INTERNATIONAL AIRPORT

Primary airport serving Edmonton, Alberta, Canada and the surrounding region.

Canada

DEPARTMENT OF NATIONAL DEFENCE (DND)

Defence Procurement & Material Management

Canada

WILLIAMS AND WHITE EQUIPMENT CANADA

Designing, manufacturing and supplying advanced industrial equipment and machining services, and it also supports aerospace through precision fabrication and machining

Canada

AVCORP INDUSTRIES INC - A DIVISION OF LATECOERE

Division of Latecoere which offers a full suite of complex metallic, metal bond and composite manufacturing and assembly services to the world's leading aircraft OEMs.

Canada

DCM GROUP

DCM designs, develops, manufactures critical & high performance aerospace structural components as well as high level equipments including special engine handling equipment, wing & landing gear components and related tooling

Canada

BERGER GROUP

A Berger is a world-class manufacturer of high-precision, complex metal parts and assemblies for the automotive and aerospace industries, since 1955

Canada

7D KINEMATIC METROLOGY

7D Kinematic Metrology Inc. is a Canadian company offering proven track records in large-scale tracking and metrology applications

Canada

MAHLER MACHINING

High precision CNC machining and metal manufacturing.

Canada

BOMBARDIER CANADA

Bombardier is a global leader in aviation, creating innovative and game-changing planes. Our products and services provide world-class experiences that set new standards in passenger comfort, energy efficiency, reliability and safety.

Canada

AVIOR INTEGRATED PRODUCTS INC.

Avior designs, engineers and manufactures light aerostructures. Our processes include composites, plastic thermo-forming, metal hydro-forming, welded (spot /fusion) structures, machining, finishing processes and integration of components

Canada

AMEC CORPORATION

AMEC industry mission, is to manufacture small and medium size parts (28 inch max)with high precision machining

Canada

ALTITUDE AEROSPACE

Altitude Aerospace offers a wide range of engineering and manufacturing services covering design, build, project management, structural analysis and certification of new products, aircraft modifications and repairs.

Canada

NÉTUR INC

Nétur Inc. is a Tier-2 manufacturer of jet engines components and assemblies. Nétur Inc. is a vertically integrated manufacturer with in-house capabilities for machining, processing and assembling, resulting in a seamless integration of functions

Canada

AERO MONTREAL

Québec's Aerospace clust

Canada

EQUANS

EQUANS is a trailblazer in mechanical and electrical construction, industrial and energy infrastructure, and building services.

Canada

AVION TECHNOLOGIES

Avion manufactures a wide variety of precision-machined components for clients who require reliable precision parts and components with full manufacturing traceability

Canada

WIPRO LAUAK CANADA

Aerospace structure parts: fuel tanks, cocpit layout, heat exchangers

Canada

WIPRO LAUAK CANADA

Aerospace detail parts, sub assemblies and aircraft structures

Canada

DELASTEK INC

Cockpit Integration, Composite Parts, Secondary Structure, Thermoformated parts, Polyurethane parts, Machining, Tooling Design ; Engineering and program management teams,Design to build,Build to print,Qualification tests

Canada

FIVES LINÉ MACHINES-OUTILS

Fives designs and manufactures machines, process equipment and production lines for the world's largest industrial groups.

Canada

PCM INNOVATION

Specialize aerospace Tooling - Machining, Welding, Wire EDM, cutting tool, Gundrilling

Canada

COORDINATE INDUSTRIES LTD

High quality precision machined parts for the Aerospace, Military, Medical and Automotive industries

Canada

INVESTISSEMENT QUÉBEC

Ministry of development of economic, innovation & exportation

Canada

OPAL-RT TECHNOLOGIES

OPAL-RT is the world leader in the development of PC/FPGA-based real-time simulators

Canada

PLACETECO INC

Placeteco specializes in the design, development and manufacturing of components and sub-systems for the aerospace and transportation industries

Canada

FDC AÉRO COMPOSITES

Design, manufacture and assembly of parts in integrated composite materials

Canada

IMP AEROSTRUCTURES

Aerospace components and assemblies. sheet metal parts including Brake, Hydro and Drop hammer form. Multi-Axis complex machined parts.

Canada

JIANGSU FLYING CLOUD TITANIUM ALLOY MATERIAL CO., LTD.

the world -class Titanium Alloy R&D and Manufacturing Base

China

COMMERCIAL AIRCRAFT CORPORATION OF CHINA LTD (COMAC)

COMAC is engaged in the research, manufacture and flight tests of civil aircraft and related businesses such as marketing, servicing, leasing and operations of civil aircraft

China

SES STERLING

Specialises in the processing of plastics and rubber. We develop, produce and market wiring accessories.

France

BT2I GROUP

Manufacturer of machining, sheet metal components, and complex mechanical assemblies.

France

MERSEN FRANCE GENNEVILLIERS SAS

Carbon-based and carbon composite friction components for the aeronautical industry

France

AD'OCC INVEST AND TRADE IN OCCITANIE

Economic Development Agency of the Midi-Pyrenees Region.

France

GIFAS

GIFAS, the French aerospace industries association, has more than 260 members, from major prime contractors and system suppliers to small specialist companies

France

CORIOLIS COMPOSITES

Specialist in the implementation of composite materials Coriolis Composites develops, makes & markets robotic cells for fiber placement using a standard 6 axis robot enabling the laying of continuous or discontinuous fibers, in all directions

France

DEMGY GROUP

High precision machining - Injection and decoration - Thermoforming and stamping - Surface treatment and metallisation - Products with electromagnetic compatibility

France

ARIES MANUFACTURING

Manufacture complex metal parts for the aerospace industry using advanced forming processes (hot stretch forming, superplastic forming, hot forming), friction welding, and precision machining.

France

SEGULA TECHNOLOGIES

Leading engineering group offering services, covering the entire lifecycle of civil and military aircraft, from design to maintenance, including engineering, tooling, production and production services.

France

CGR INTERNATIONAL

European leader in aerospace springs, sheet metal forming, cutting, stamping, metal spinning

France

FIGEAC AERO SA

FIGEAC-AERO offers complete services to its customers from the design phase to the manufacturing of aeronautical subassemblies

France

FREUDENBERG FST GMBH

Sealing Manufacturer

Germany

LITTLEFUSE

Littelfuse offers an extensive technology portfolio, fuses, semiconductors, polymers, ceramics, relays, sensors, switches, and more. Our products are found in a variety of industrial, transportation, and electronics end markets

Germany

SAM GMBH

Actuators & Valves for Hydraulics, Air, Oxygen, Fuel and Water

Germany

MUBEA AVIATION GMBH

Sheet Metal & Machined detail Parts, and assemblies for Aerospace Carbon Fiber Composite parts and assemblies (CFRP)

Germany

ADELBERT HAAS GMBH

manufacturer of grinding machines, used in medical engineering, precision tool manufacturing, gear manufacturing, the aerospace industry, and the energy industry

Germany

BROETJE-AUTOMATION GMBH

Broetje-Automation is the world's leading expert for production processes of large and complex structures, e.g. in the aerospace industry and wind energy

Germany

AIRPORT REGION BERLIN BRANDENBURG

Economic Development Agency for Berlin and Brandenburg. Companies, investors and science institutes interested in expanding their business activities to Berlin and establish new offices in the Airport Region Berlin Brandenburg

Germany

AXISCADES TECHNOLOGIES LIMITED

Specializes in three domains: Aerospace, Defense, and ESAI (Electronics, Semiconductor, and Artificial Intelligence). Portfolio spans the delivery of cutting-edge systems, services, products, & solutions

India

MOTHERSON AEROSPACE & DEFENCE

Industrial company specialising in the design, engineering and manufacturing of high-precision components, sub-assemblies and systems mainly for the aerospace sector

India

MAHINDRA AEROSTRUCTURES PVT LTD

Manufacturing and assembling critical metallic aircraft and helicopter parts and aerostructures to support turboprops, commercial jets, and rotorcraft systems

India

SONA SPEED PRIVATE LIMITED

Manufacturer of Aerospace and Defence Components. In house capabilities Machining, Sheet Metal, Surface Treatment AS9100 and NADCAP approved facilities located in Bangalore, IND

India

METALLIC BELLOWS (INDIA) PVT. LTD

Manufacture metal bellows, fabric bellows and rubber bellows for the aerospace and defense industries

India

KALAPURNA STEEL AND ENGG PVT LTD

India

CONNEX ITALIANA SRL

We market and distribute electronic and electromechanical components for the most technologically advanced markets: Civil, Military Air Force, Defense, Space, Railway, etc.

Italy

APEIROON

Portable 5G Networks

Italy

VIMI FASTENERS SPA

Vimi Fasteners manufactures and resells fastening system solutions for the aerospace sector, made of high-performance materials for high temperatures applications, and in corrosive environments.

Italy

A.L.A. SPA

advanced logistics for aerospace: service provider and logistic activities for aerospace industries

Italy

POGGIPOLINI SPA

The company houses a powerful integrated computerized system for information exchange, drawing scanning, electronic file transmission and work stations.

Italy

A.ABETE SRL

Precision machining in the following areas: aerostructures, engins, defense, aeronautical equipment

Italy

ICE - ITALIAN TRADE AGENCY

International promotion of Italian industries

Italy

IRCA SPA - ZOPPAS INDUSTRIES ITALY

Zoppas Industries Heating Element Technologies boast an experience of over 50 years in design and production of heating elements and systems, even completed with thermal controls for domestic and industrial applications.

Italy

O.V.S. VILLELLA S.R.L.

CONSTRUCTION OF AEROSPACE COMPONENTS AND STRUCTURES, SHEET METAL WORKING, WELDING, PIPE WORKING, MECHANICAL WORKING, NON-DESTRUCTIVE CHECKS, SURFACE TREATMENTS

Italy

OMA SPA

Design, development and manufacture of aerostructures, components for actuation systems

Italy

COM STAMP SRL

Being a leading supplier of the main aircraft manufacturers by producing complete airworthy structures

Italy

LAGA SRL

Mechanical production die casting extrusion. Guarantee the choice of the best production process for product quality for production process and quality improvements.

Italy

EIE GROUP SRL

EIE GROUP is an engineering and EPCC company internationally recognized for the design, manufacturing and turnkey delivery of high-precision structures and systems for astronomy, astrophysics and big science facilities.

Italy

GFM SPA

Mechanical machining of precision mechanical components in alla kind of steel, alloys...

Italy

DAVI-PROMAU SRL

Manufacturing of plate bending machines for plates and section bending angle roll

Italy

SITTI SPA

SITTI develops and manufactures communication systems with worldwide recognised high reliability for mission critical solutions

Italy

DEAMS SRL

Joint-venture between Deagle and Industry AMS with the aim to support the aerospace companies in analyzing and proposing solutions for the industrial innovation and to optimize all the processes/performances.

Italy

UMBRAGROUP SPA

World leader in the production of ball screws for the aeronautical industry and is a company at the forefront of both the aeronautical and industrial sectors.

Italy

HTT CENTRO AFFILATURA SRL

Precision cutting tools in solid carbide

Italy

REA SRL

Startup specialized in the design and development of wearables and protective tools for astronauts

Italy

GROWERMETAL SPA

Producers of washers and safety pillars for over seventy years

Italy

OMPM OFFICINA MERIDIONALE DI PRECISIONE MECCANICA SRL

Integrated solutions for the aerospace industry: R&D, engineering, industrialization, production, surface traitements, assembly, quality & control.

Italy

TAKAGI STEEL CO., LTD

Support for efficiency in manufacturing - Proposing the best partner for each process in the manufacturing network! We will guide you to solve each problem.

Japan

NIKKO SANGYO CO. LTD

We are a specialist in Bulge-Forming (Hydro-Forming), providing customized pipes for automotive, aerospace, bicycle, civil engineering industry around the world.

Japan

HANSHIN METALICS CORP.

Distributing Aerospace Alloy including 15-5PH, Alloy 718 and etc. Offering value-added services including stocking, cutting, machining, heat treatment, and other additional services, aiming to serve as one stop solution.

Japan

YAMAWA INTERNATIONAL CO,.LTD

Since 1923, we have specialized in top-quality cutting tools like taps, dies, and center drills to meet evolving industrial demands. Certified with ISO9001 & ISO14001, our precision UNJ/UNJF taps and all products are proudly made in Japan.

Japan

CHIHUAHUA STATE GOVERNMENT

Promotion of the Aerospace industry in Chihuahua.

Mexico

FEMIA - FEDERACION MEXICANA DE LA INDUSTRIA AEROESPACIAL

Promotion of the Aerospace industry in Mexico.

Mexico

QUERETARO STATE GOVERNMENT

Promotion of the Aerospace industry in the State of Queretaro

Mexico

ERKO SP. Z O.O. SP.K.

Aviation parts production (machined and sheet metal) and electric endings and connectors / Tooling troduction

Poland

IWAMET SP. Z O.O.

Manufacturers of precision aluminum, magnesium castings and CNC precision machining parts.

Poland

MUNICIPALITY OF RZESZOW

Promotes trade, development nad investments related to the aviation industry in the region of Rzeszow, Poland

Poland

DIOXID SP. Z O.O.

Manufactures fixtures for the aviation industry

Poland

AVIATION VALLEY ASSOCIATION STOWARZYSZENIE DOLINA LOTNICZA

Non-profit organization representing 165 companies in the aerospace industry in southeastern Poland.

Poland

ROKADI. INC.

KJF makes comprehensive efforts to satisfy our customers with cost effective, high quality and on-time delivery support.

South Korea

CONET SYS CO. LTD

provides turnkey Mission Console and Electronic Cabinet solutions for military and aerospace applications.

South Korea

TRIMEK - INNOVALIA

Software development for on machine metrology

Spain

ANDALUCIA TRADE

Bring together the activity of support to the business sector to favor the promotion of investments, internationalization, the promotion of R & D, entrepreneurship and self-employment

Spain

GAZC

Spanish leading manufacturer of metalic parts, covering machining, sheet metal, surface treatments, assemby

Spain

COMETEL

Family company with over 30 years experience in designing, manufacturing and commissioning turnkey solutions for conveying and processing the scrap which results from metal stamping processes

Spain

EQUIPOS LAGOS SA

Expert in the design of processes and products for surface treatment (sanding, metallic coating, sanding, painting, drying, polishing)

Spain

CAMARA OFICIAL DE COMERCIO E INDUSTRIA DE ALAVA

The Chamber of Commerce offers businesses Alava Alava Training and Advice on issues of internationalization, Industry, Trade.

Spain

KUGLER BIMETAL

The Bimetal solutions combine a bronze coating on a steel substrate, achieving higher tribological and mechanical performance, functional design and outstanding power density

Switzerland

NATIONAL AEROSPACE FASTENERS CORPORATION

High-end Aerospace Fasteners and CNC Machined Parts Manufacturer for engine, landing system, flight control, and airframe applications.

Taïwan

MIFA ALUMINIUM BV

Mifa is a specialist in aluminium extrusion profiles. We produce completely finished precision products with size tolerances from ± 0.02 mm. That accuracy in aluminium profiles provides unprecedented possibilities.

The Netherlands

TUSAS ENGINE INDUSTRIES INC (TEI)

Manufacturing, overhaul of aeroengine parts

Turkey

ANOVA ENGINEERING

Anova is a Computer Aided Engineering Company representing well known global engineering software companies like ANSYS, Flowmaster, ConceptsNREC but we also make consultancy projects to our domestic and international clients

Turkey

AYAR MAKINA

Machining

Turkey

KALE HAVACILIK SANAYI A.S.

KALE is a leading provider of structural components, assemblies and kits to the aerospace industry

Turkey

AKSA AEROSTRUCTURES

Composite and metallic detail and assembly manufacturing of aerostructures.

Turkey

AYDIN YAZILIM VE ELEKTRONIK SANAYI AS (AYESAS)

Avionic Software Development, Wiring Harnesses, Circuit Card Assemblies Air Defense Systems, Command and Control Software

Turkey

UBLOQUITY LTD

Software: Digital DNA for the Secure Aerospace Supply Chain ubloquity eliminates the 'visibility gap' in aerospace and defense logistics

United Kingdom

INDEPENDENT FORGINGS & ALLOYS LTD

Manufacturer of high integrity forgings for the aerospace industry. Open and closed die forgings for aerostructures and turbines

United Kingdom

INVEST IN NORTHERN IRELAND

The Northern Ireland Aerospace cluster is made up of over 60 companies with extensive expertise in aerostructures, wings, composites, design, systems and aircraft seating.

United Kingdom

SKF (UK) LTD

Innovative products and solutions to reduce friction: bearings, seals, lubrication

United Kingdom

ADVANEX EUROPE LTD

Specialise in metal and plastic components, springs and assemblies, supplying a diverse range of markets from agriculture and automotive through to medical and aerospace.

United Kingdom

PORVAIR FILTRATION GROUP LTD - MICROFILTREX DIVISION

Porvair Filtration Group is an international leader in the development and supply of high performance, innovative materials and solutions for applications in filtration and separation.

United Kingdom

UNISON LTD

World-class manufacturing solutions, with legendary service & support

United Kingdom

ADS GROUP LIMITED

ADS is the Premier Trade Organisation for companies in the UK Aerospace, Defence, Security and Space Sectors. Membership is made up of over 1000 UK registered businesses.

United Kingdom

PROCESS AUTOMATION AND CALIBRATION - PAC GROUP

High quality and specialist engineering solutions across all industries and sectors: electrical, composites,

United Kingdom

DARCHEM ENGINEERING

Design, manufacture of a wide range of high integrity engineered products in stainless steel and titanium as well as thermal insulation systems for aerospace, motorsport, marine defence, nuclear and oil & gas applications

United Kingdom

LOOP TECHNOLOGY LTD

Automation systems for high rate manufacture, inspection and assembly of composite structures.

United Kingdom

PING HANDLING LTD

We are an independently owned aircraft and cargo handling company offering a very high standard and portfolio of services

United Kingdom

DENROY PLASTICS LTD

Plastics injection molding: Denroy offers an integrated design, tooling and manufacturing operation providing clients with a single source solution from concept design to full volume production

United Kingdom

SAFRAN ELECTRICAL & POWER

Specializing in electrical systems and technologies for the aerospace industry. Its main activity is the design, development, production and support of aircraft-grade electrical power and wiring systems

USA

GOVERNMENT OF CANADA

The Consulate General of Canada in Seattle represents Canada and promotes Canadian interests in one of the most technologically and economically important regions of the United States.

USA

AEROSPACE TECHNICAL METAL FINISHING - ATMF

Over 55 years of industry experience offering complete metal finishing solutions including painting, non-destructive testing, complex masking and project management.

USA

WISCONSIN ECONOMIC DEVELOPMENT CORPORATION

WEDC is the lead economic development agency for the state of Wisconsin fostering company and community growth within the state and connecting Wisconsin companies with the resources to begin and expand their international business.

USA

BRIGHTLY SOFTWARE

Asset lifecycle management & operations software that makes it easy to accelerate maintenance workflows, simplify decision making, and create longer lasting futures for your facilities, equipment, and infrastructure

USA

TAMARACK AEROSPACE GROUP

An aerospace engineering and aircraft modification group

USA

HIRSCHLER MANUFACTURING, INC. - MECADAQ GROUP

Manufactures aircraft door components, and specializes in offering CNC machining and solutions for hard metal machining and critical tolerance requirements

USA

BONESTEEL AEROSPACE

Fasteners, fittings, and specialty hardware to AN, AS, Mil, MS, NAS, BAC, DIN, NA, NSA, and other industry standards.

USA

CHARLESTON REGIONAL DEVELOPMENT ALLIANCE

Economic development entity promoting multi-county regions within the state of South Carolina

USA

AXILLON AEROSPACE

Specializing in the design, development, production, testing, and repair for electronic warfare (EW), satellite communications (SATCOM), signals intelligence (SIGINT), and communication, navigation, and identification (CNI) applications

USA

STARRAG USA INC

Starrag Group is a global technology leader in manufacturing high-precision machine tools for milling, turning, boring and grinding workpieces of metallic, composite and ceramic materials

USA

GKN AEROSPACE - SUMNER

Serving the world's leading aircraft and aero-engine manufacturers with three business lines: civil airframe, defense airframe and engine systems

USA

METAL FINISHING CO

Non-Destructive Testing of Metal and Composite Parts and Materials, Heat Treatment or Aluminum and Steels, Surface Finishing of Aluminum and Steel Components

USA

BOMBARDIER DEFENSE

Combining Bombardier's portfolio of top-performing aircraft with our unparalleled engineering expertise to create custom solutions.

USA

SMT CORP.

USA

CODESYS CORPORATION

CODESYS is the leading manufacturer-independent IEC 61131-3 automation software for engineering control systems. It offers engineers practice-oriented, integrated solutions for the convenient configuration of automation applications.

USA

PROMED MOLDED PRODUCTS INC.

ProMed Molded Products is a contract manufacturer of custom injection molded silicone and thermoplastic parts and assemblies.

USA

CEVA LOGISTICS

End-to-end supply-chain logistics services - supporting aircraft manufacturers, Tier-1 suppliers, MROs, and airlines with warehousing, inbound supplier logistics, manufacturing support, transport, and spare-parts

USA

ADVANTAGE AUSTRIA LOS ANGELES

Group of highly specialized Austrian companies within the aeronautic and defense industry

USA

ROLLED ALLOYS

Specialty metals: heat and corrosion resistant alloys for aerospace

USA

OXLEY INC

Aircraft LED Lighting Systems- Exterior/Interior LED lighting,LED landing/Taxi Lights,Commercial & Military lighting products;LED Shelter Lighting,LED vehicle & marine lighting systems,Optical filters,NVIS components,EMI Suppression filter connectors

USA

SKILLCRAFT MACHINE TOOL COMPANY, INC.

Skillcraft Machine Tool Co., Inc. manufactures high-quality aerospace support equipment, prototype components, and complex assemblies

USA

LEBRONZE ALLOYS NORTH AMERICA

Development, production and supply of specialized alloy materials

USA

SHINMAYWA (CALIFORNIA) LTD

ShinMaywa California provides quality assurance services and supplier management for the procurement of aircraft materials and machined parts, including subassemblies, primarily manufactured in the United States.

USA

UNITED PERFORMANCE METALS

A global distributor of high-performance metals serving customers in a variety of industries, including Aerospace, Fastener, Medical, Power Generation, Oil and Gas, Semiconductor and many others.

USA

CLAMPCO PRODUCTS, INC.

USA Manufacturer of custom engineered V-band couplings, T-bolt band clamps and Heavy duty stainless steel Straps for the Aerospace and Defense industries.

USA

TIME:MATTERS AMERICAS, INC.

Your trusted global partner for global high-performance logistics solutions

USA

SPINNER NORTH AMERICA LLC

The SPINNER Group has been setting standards with its RF technology products for more than 75 years, thus leading the information age to even greater vitality. We have summarised our claim in one phrase: HIGH FREQUENCY PERFORMANCE WORLDWIDE

USA

BOEING (APACHE HELICOPTER DIVISION)

USA

MITSUI & CO. (USA), INC., CLEVELAND OFFICE

It is engaged in business investment, project development and management, and capital goods leasing and technology transfer

USA

AIRBUS U.S. SPACE AND DEFENSE

Airbus U.S. Space & Defense delivers cutting-edge space and defense technologies supporting national security and space missions.

USA

BOURNS INC, WORLD HEADQUARTERS

USA

LOOPR

Loopr offers AI solutions for manufacturers to augment existing manual processes and improve workforce results.

USA

SONACA NORTH AMERICA

LMI Aerospace is a leading supplier of structural assemblies, kits and components and a provider of design engineering services to the commercial, business and regional and defense aerospace markets

USA

BPR HUB

BPR Hub's powerful platform helps your compliance cogs turn smoothly while ensuring complete transparency in your processes

USA

BODYCOTE

Thermal spray coating application (HVOF, plasma spray), heat treating, vapor phase aluminizing (VPA), platinum plating and other special processes for aircraft engines, landing gear and airframe components

USA

AVIATION DEVICES & ELECTRONIC COMPONENTS LLC. - AV-DEC

Av-DEC designs and manufactures gaskets and sealants used to prevent aircraft corrosion and water ingress.

USA

ROTOR CLIP CO.

Manufacturer and supplier of standard or custom retaining rings, wave springs, and hose clamps

USA

AIRBUS AMERICAS

Airbus is a leading aircraft manufacturer, with the most modern and comprehensive aircraft family. EADS North America offers the innovative solutions of a global aerospace and defense industry leader.

USA

CHUO ENGINEERING

CHUO ENGINEERING CO., LTD and its U.S. hub, Chuo USA, provide 70+ years of expertise in structural design, analysis, testing support, and modeling services for diverse industries worldwide.

USA

KOITO MANUFACTURING CO. LTD USA

Manufacturer of Aircraft Lighting and Electronic Equipment

USA

ETEZAZI INDUSTRIES, INC

Manufacturing of aerospace structural components and assemblies: complex multi-axis parts, as well as sheet metal parts

USA

APACHE AEROSPACE INC

Supply special cutting tools for aerospace application, R&D support

USA

PROSPECT

Production composite and metallic machining as well as providing tooling solutions

USA

DAHER AEROSPACE NORTH AMERICA

Aircraft builder, aerostructures manufacturer and provider of industrial and logistical services

USA

DEDIENNE AEROSPACE LLC

Specialized in aerospace maintenance tooling for civil and defense markets

USA

TRELLEBORG SEALING SOLUTIONS

Our Aerospace solutions include seals, fire resistant coatings, thermal insulation, and engineered fabrics for air slides.

USA

PRECISE AEROSPACE

Precise Aerospace is a premier full-service supplier of Injection, Compression, and Transfer Molding, CNC Machining and Value Added Assembly

USA

AGC CHEMICALS AMERICAS INC.

AGC Chemicals Americas, Inc. manufactures, markets and sells fluoroproducts including Fluon® fluoropolymer resins, Fluon+™ enhanced fluorinated materials and compounds, AFLAS® fluoroelastomers and AsahiKlin fluorinated solvents.

USA

SERVICE STEEL AEROSPACE CORP. SEATTLE

Service Steel Aerospace is a customer-oriented stocking distributor of high performance stainless steel, titanium, alloy steel, nickel based super alloy, Maraging steel and Invar.

USA

KARMAN SPACE AND DEFENSE

USA

ELM AEROSPACE

We manufacture Electro-Mechanical critical components, these components have been used in commercial, cargo, military aircraft, hybrid vehicles and medical.

USA

BOEING COMMERCIAL AIRPLANES

As a leading global aerospace company, Boeing develops, manufactures and services commercial airplanes, defense products and space systems for customers in more than 150 countries

USA

SUNSHINE METALS

Supplier of speciality metals and custom supply chain services for aerospace and defence applications

USA

QUALICHEM, INC.

Manufacturing of metalworking fluids, cleaners, corrosion preventatives, and other specialty chemicals.

USA

AMERICAN STANDARD CIRCUITS INC.

ASC is a Total Solutions Provider for the PCB industry, capable of delivering simple to advanced technology to virtually every industry sector in quantities ranging from quick prototypes to large volume production.

USA

NORTHWEST FOURSLIDE

We specialize in thin-gauge metal stamping and wire forms from the simple to the complex. We prototype, manufacture low volume on our servo press machines, and manufacture higher volume parts on our fourslide machines

USA

TELEDYNE AEROSPACE & DEFENSE ELECTRONICS - SIGNAL & POWER SWITCHING

Teledyne Aerospace & Defense Electronics offers a comprehensive portfolio of highly engineered solutions that meet the most demanding requirements, in the harshest environments.

USA

ULBRICH STAINLESS STEELS & SPECIAL METALS INC

A global precision re-roller and distributor of stainless steel and special metals strip, foil, shaped wire, fine wire, sheet, plate and bar products for use in the medical, automotive, nuclear and aerospace industries.

USA

ESSEX INDUSTRIES INC

Develops & manufactures platform controls & aircraft components (e.g., hydraulic pulsation dampeners, flame arrestors & a large variety of valves). Also offers build-to-print services for components, assemblies & systems

USA

ABRISA TECHNOLOGIES

Abrisa Technologies is a global leader in specialty glass fabrication and precision optical thin-film coatings, serving diverse industries including aerospace, defense, medical, industrial, and display technologies.

USA

FOCUSED ON MACHINING

Focused on Machining is a precision machine shop in south Denver. We strive to become a leading supplier of machined parts and our goal is to deliver quality parts on time every time

USA

MTL PRECISION

Robotic Engineering, Automated Measurement Systems, Advanced Engineering Solutions, System Integration Projects

USA

MATTCO FORGE, INC

Forged products: seamless rolled rings, contoured rolled rings, bar and upset forgings

USA

BLUE ORIGIN LLC

Blue Origin builds reusable rocket engines, launch vehicles, in-space systems, and lunar landers

USA

HYDRAULICO INC, NORTH AMERICA

We deliver complete production lines, including advanced Hydraulico presses – and all equipment needed for lubricating, handling, moving, forging, cutting, feeding, stacking etc.

USA

ANDREY'S DELIVERY EXPRESS

Andrey's Delivery is a full-service forwarder specializing in AOG transportation. We have drivers all over the country ready to pick up shipments for Hotshot, NFO, OBC, or charter, to deliver anywhere in the world.

USA

PROWSE MANUFACTURING GROUP, INC. (PMG) (EX-INFINITY FABRICATION, INC)

Precision Sheet Metal Fabrication and CNC Machining

USA

ORION INDUSTRIES

Orion Industries is an award-winning aerospace manufacturer offering comprehensive services including world-class machining, sheet metal fabrication, mechanical assembly, wire harness assemblies, and finishing services, providing one-stop convenience

USA

CENTRACORE LLC

Designs and manufactures machined prototype and production castings and forgings in aluminum, iron and steel

USA

HYGRADE PRECISION TECHNOLOGIES, INC.

Hygrade specializes in precision contract machining, grinding, and lapping services. We serve the aerospace, automotive, commercial, homeland security, medical & power generation industries.

USA

MASTER FLUID SOLUTIONS

Aerospace premium TRIM fluids meet aerospace manufacturers' high-tech alloy machining needs to ensure repeatability and dramatically reduce expensive tooling costs.

USA

CYIENT INC

Engineering services and solutions for the global aerospace and defense industry

USA

TUCANA ENGINEERING, LLC

Structural analysis and simulation. Structural and system design. Modifications and conversions. Alterations and repairs. Interiors design and reconfiguration.

USA

HCL AMERICA INC

Technology solutions built around Digital, IoT, Cloud, Automation, Cybersecurity, Analytics, Infrastructure Management and Engineering Services

USA

NOVARIA GROUP

Novaria Group is a cohesive family of precision component companies that consistently delivers optimum performance and sustainable growth with the aerospace and defense marketplace.

USA

RCO ENGINEERING, INC.

Designers and engineers, accomplished prototype builders, testing experts and comprehensive production specialists for the automotive, aerospace and defense industies

USA

AEROSPACE COMPONENTS MANUFACTURERS

The Aerospace Components Manufacturers, ACM, is one of the largest, most experienced concentrations of premier aerospace companies in the world.

USA

NORTHROP GRUMMAN

Strategic Deterrent Systems

USA

TIGHITCO INC

USA

WASHINGTON STATE DEPARTMENT OF COMMERCE

The Washington State Department of Commerce offers no-cost international trade assistance to Washington companies.

USA

AVANTUS AEROSPACE

Avantus Aerospace's group (Attewell, Bolsan, Lamsco West, Cal Screw, FIT & FTC) are leaders in C-Class parts including: - Laminated and Solid Shims - Precision Sheet Metal Details & Machined Parts, Assemblies - High Strength Aerospace Fasteners

USA

O'FALLON CASTING

Manufacturer of Aluminum, Brass, Bronze or Silicon Carbide MMC Investment Castings. Furnish Castings Complete to Print with machining & finishing.

USA

NINELINE VETERAN SERVICES

NineLine Veteran Services: Veteran-led warehouse fulfillment & refurbishment services for aerospace & defense. Reliable, mission-driven solutions. Visit our booth!

USA

GRAVITICS INC

USA

NORTHROP GRUMMAN DEFENSE SYSTEMS

USA

TITANIUM PROCESSING CENTER

Stocking distributor of Commercially Pure and Titanium Alloy products in bar, sheet, plate, pipe, tubing, fasteners, fittings and more

USA

ATC MANUFACTURING

Manufacturing thermoplastic composite parts. High-rate manufacturing, specializing in mass-producing parts using unidirectional thermoplastic composite tapes.

USA

ALTEK INC

Aerospace contract manufacturing services to create precision, close tolerance aircraft components and parts that meet the most stringent specifications.

USA

BOEING COMMERCIAL AIRPLANES

USA

ENVIROTECH LLC

We specialize in advanced CNC milling, machining, fabrication, and assembly services. We are ISO 9001, AS9100D and ITAR certified and specialists in the aerospace and medical field.

USA

RENO MACHINE

Specializes in large-part precision manufacturing, as well as durable tooling and complex molds for today's composite part and structure fabrication

USA

EMCO CORPORATION

Manufacturing of high performance, 5 axis gantry milling machines, horizontal universal milling machines, vertical machining centers, heavy duty and multitasking lathes

USA

ADEPT FASTENERS INC.

Distributor of Aerospace Fasteners, Bearing and Electronic Hardware.

USA

THALES USA

In-flight entertainment, on-board electronics, avionics, air traffic management, and airport solutions

USA

ARNOLD MAGNETIC TECHNOLOGIES CORP.

Fabricate and custom-produce a comprehensive line of permanent magnets and precision assemblies specific to design requirements. Produce thin and ultra-thin gauge metal strip and foil products

USA

CLIFFORD-JACOBS FORGING COMPANY / IMT FORGE GROUP

Closed-die forgings (raw material) up to 800 pounds, 30 inches in diameter and 50 inches in length. Materials include carbon, alloy, stainless, aluminum, titanium, nickel and super alloy. In-house machining, heat treat and non-destruct testing

USA

APRIO WEALTH MANAGEMENT

Business advisory, tax, and accounting firm that's been helping clients Account for Anything™ since 1952.

USA

RADIUS AEROSPACE

Radius Aerospace brings more than a half century of experience in aviation and aerospace forming and fabricating. Our core services include formed, welded, bonded, machined, and processed fabrications and assemblies

USA

LTW INTRALOGISTICS INC.

LTW is a comprehensive provider of turnkey warehouse automation, offering integrated software suites specifically engineered for the management of heavy and non-standard goods such as boats, containers, coils,etc

USA

ST ENGINEERING MRAS

Aviation lifecycle solutions that span design and engineering, original equipment manufacturing, maintenance services for airframes, components and engines, as well as assets management and leasing

USA

ZIMMERMANN INC.

Zimmermann is your reliable partner for aluminum, composite and hard metal milling solutions. Our gantry milling machines and horizontal machining centers are used for the machining of large complex parts common in the aerospace industry

USA

ALPHA Q INC

Components and assemblies for gas turbine engines and helicopters. fixed limit cylindrical gages, special gaging and offers precision grinding and lapping services

USA

ENSINGER INC

Manufacture of components or assembled systems, for both Aerospace and Defense applications, using thermoplastic materials.

USA

WALTONEN ENGINEERING

Solutions for dimensional engineering, tool design, and assembly & layup fixtures using our ISO 9001-2015 certified engineering and manufacturing processes

USA

MANES MACHINE & ENGINEERING

Machining of complex aerospace components. Our 5 axis machining capability ranges from 1 to 120 inches

USA

LATECOERE INTERNATIONAL

USA

OBJECT COMPUTING

We engineer the systems that power your business. We deliver measurable results through engineering expertise, hands-on partnerships, and technology that grows with you

USA

INNOVAFLEX FOUNDRY

Nontraditional semiconductor, design and manufacturer that has capabilities to create a variety of electronics on both glass and flexible substrates

USA

ADVANCED COPPER ALLOYS

We are a foundry that produces bar product, finished product for Aerospace & Space applications. Aluminum Bronze, Nickel Aluminum Bronze, Copper Chrome Zirconium, Copper Zirconium, etc.

USA

WEST COAST INDUSTRIES

West Coast Industries, Inc. specializes in fatigue life enhancement of aerostructures, since 1966. WCI manufactures coldwork tooling, BushMax bushings, drill units, and provides engineering support to aerospace and defense customers around the globe.

USA

TIGHITCO INC

TIGHITCO, Inc. is an industry leader in the design, fabrication, and assembly of engineered components for aerospace and industrial applications.

USA

AUSCO INC

AUSCO is an engineering driven manufacturer of miniature fluid control components and systems for high value, performance critical applications

USA

W.S. WILSON CORPORATION

W.S. Wilson is an authorized worldwide distributor of aircraft bearings, bushings, rod ends, and associated hardware

USA

MURPHY AND NOLAN, INC

Murphy and Nolan, Inc. is a metals distributor specializing in aerospace and industrial alloys and related value added services.

USA

PACE AMERICA INC

PACE provides since 30 years software solutions for Aerospace and Defense market

USA

METALWERKS, INC.

Over twenty years of experience melting and processing vacuum melted specialty metals. We operate five vacuum melting furnaces and bar processing equipment

USA

NATIONAL PRECISION BEARING

Bearings, bushings, rod ends and sphericals for aerospace and defense.

USA

COWBOY AEROSPACE

Cowboy Aerospace provides tailored consultation services to help clients overcome complex supply chain challenges. We specialize in addressing sole-source or limited-sourcing issues and managing risks associated with obsolete parts

USA

LUMAFIELD

Industrial CT Scanning

USA

AXON CABLE INC.

Design and manufacture of high-performance interconnect solutions (cables, connectors, and assemblies) for aircraft and space systems

USA

CLARENDON SPECIALTY FASTENERS, INC.

A leading distributor of the highest quality fasteners, components and seals to the Aerospace, Motorsport, Defence and Industrial markets

USA

EXOSTAR LLC

Identity access management and secure cloud solutions that improve collaboration, information sharing, and supply chain management.

USA

BURKE AEROSPACE

A shop-assist, Farm-out, Off-load company specializing in conventional as well as non-conventional precision machining of turbine engine components

USA

INDUSTRIAL METALS INTERNATIONAL LTD

Distributor of litanium, aluminum, nickel stainless steel, alloy and bronze products in bar, sheet, tube, wire and forgings.

USA

ACMT MANUFACTURING TECHNOLOGIES, INC.

We manufacture and repair Aircraft engine and Helicopter parts BOTH metal and non-metal components - Advanced composites and Metal forming technologies

USA

PARKER AEROSPACE - EXOTIC METALS FORMING

Complex metal forming, complex metal fabrication, flexible joints, exhaust products, ducting products, plus repair and overhaul services.

USA

JONAL LABORATORIES

Researchers, Engineers, and Manufacturers of Custom High Temperature Elastomeric Seals and Products

USA

DYNAPOWER COMPANY

Power conversion and energy storage for hydrogen, e-mobility, energy storage, mining, metal finishing and defense industries

USA

PHOENIX SPECIALTY MANUFACTURING CO.

Manufacturer of small specialty and precision components – all made to your exact specifications. We specialize in high-quality, traceable parts all manufactured to your requirements.

USA

WELDALOY SPECIALTY FORGINGS

Single source forging and machining provider. From raw material processing to shipping, and everything in between—our vertical integration process allows us to efficiently deliver quality forged part

USA

ENCODER PRODUCTS COMPANY

It is a leading manufacturer of premium rotary incremental and absolute encoders used for motion feedback

USA

ABS GROUP

Technical services to support the safety and reliability of high-performance assets and operations.

USA

IDAHO DEPARTMENT OF COMMERCE

Idaho Department of Commerce is a state agency that acts as a lead economic development agency for the state of Idaho. My division assists Idaho business in the exportation of goods and services to nations throughout the world.

USA

TLG AEROSPACE LLC

Engineering services in aerodynamics, loads, flutter and structural design and stress analysis

USA

AMERICAN AEROSPACE CONTROLS INC

AC/DC Current and Voltage Sensors. Off-the-shelf and custom designed. Fully qualified to DOI-160 and MIL-STD.

USA

FPD COMPANY

Excelling in forging, machining, and finishing titanium, stainless steel, aluminum and cobalt chrome components for the aerospace and medical industries

USA

AVIATION TECHNICAL SERVICES

Aircraft and component MRO, engineering services, component sales, and PMA part manufacturer

USA

DYLAN AEROSPACE

Dylan Aerospace takes great pride in supplying products worldwide to high-tech industries including Aerospace, Defense, Medical, Dental, Biotech, Electronics, Satellite and Ultra-High Pressure technologies

USA

FARSOUND USA

Leading Supply Chain and Logistics Solutions Provider, Distributor and Stockist for the global aerospace industry, delivering parts from hundreds of suppliers directly to the production line

USA

PAPERLESS PARTS

Estimating and quoting software that simplifies workflow

USA

GH TOOL & MOLD

Custom tooling for a variety of applications including thermoforming, compression molding, blow molding, die casting, and stamping, as well as secondary equipment and automated solutions for these applications.

USA
